Press Release – March 20, 2017

120 new products competing at MCEE 2017

MCEE is the largest trade show for plumbing, HVACR, hydronics, electricity and lighting in Canada and the only major industry exhibition in Canada in 2017. It's also the premiere industry education and networking event of the year.

120 of the best new and innovative products have been accepted into the [MCEE 2017 New Product Competition](#); winners in the 14 categories will be announced on April 25. Industry members can see the products and speak to the manufacturers on April 26 and 27 at the trade show.

MCEE 2017

April 26 & 27 - Place Bonaventure, Montreal

FREE REGISTRATION up to 6pm April 25. After that, pay \$20 per person.

MCEE is the biggest and most comprehensive showcase of industry products in Canada this year. The show takes place every two years, so make you take advantage of this exciting opportunity to see new products, new technologies, new companies and be on top of the latest industry developments.

- More than 6,000 visitors expected
- Almost [400 exhibitors](#) from Quebec, Canada and the U.S. will be displaying thousands of products
- [23 free seminars](#)

MCEE is produced by the Canadian Institute of Plumbing & Heating ([CIPH](#)), the Corporation of Master Pipe Mechanics of Quebec ([CMMTQ](#)), the Corporation of Master Electricians of Quebec ([CMEQ](#)), and the Corporation des entreprises en traitement de l'air et du froid ([CETAF](#)). Together, the four associations represent 90% of the region's plumbing, HVACR, and electrical contractors and wholesaler distributors. IES Montreal (Illuminating Engineering Society) and the Electrical Council of the Electro Federation also support MCEE.
