HVACR, HYDRONICS,
ELECTRICAL
AND LIGHTING

Canada's biggest event for HVACR, plumbing, hydronics, electrical and lighting
MCEE 2017 – April 26 & 27 – Place Bonaventure – Montreal

Mark your calendar and plan to attend!

MCEE is the largest trade show for plumbing, HVACR, hydronics, electricity and lighting in Canada and the only major industry exhibition in Eastern Canada in 2017. It's also the premiere education and networking event of the year for industry members in the region.

- Over 400 exhibitors from Quebec, Canada and the United States will be displaying thousands of products – [EXHIBITOR LIST](#);
- More than 6,000 visitors;
- Free seminars – many of which will offer continuing education units;
- Innovative products and systems for sustainable development, energy-efficient technologies and renewable energies; and
- A new product competition and showcase featuring more than 100 of the industries' best innovations – see them first at MCEE 2017 this spring!

Free Seminars

Industry experts will present an outstanding line-up of technical and business seminars to keep you on top of changes that affect your business. Admission is free for all sessions. Many sessions will satisfy continuing education requirements; participation certificates will be available on request. Seminars will be presented in French, unless otherwise indicated. New Products

See more than 100 products participating in a competition for energy efficiency and innovation, all on display in the New Product Showcase. Discover these new products and technologies that can help you grow your business.

Save \$20: Pre-register for FREE

- Industry members can take advantage of free registration, available up to 6 pm on April 25, 2017. After that, registration is \$20 per person. [REGISTER NOW](#)
- Avoid waiting in line: Register by March 31, 2017 and receive your MCEE badge in the mail. After March 31, you can pick up your badge at the MCEE Registration Desk during the show.

MCEE is produced by the Canadian Institute of Plumbing & Heating ([CIPH](#)), the Corporation of Master Pipe Mechanics of Quebec ([CMMTQ](#)), the Corporation of Master Electricians of Quebec ([CMEQ](#)), and the Corporation des entreprises en traitement de l'air et du froid ([CETAF](#)). Together, the four associations represent 90% of the region's plumbing, HVACR, and electrical contractors and wholesaler distributors. IES Montreal (Illuminating Engineering Society) and the Electrical Council of the Electro Federation also support MCEE.
