

CALL FOR PRESENTATIONS

New Product and Podcast Stage

The MCEE 2025 Show Committee is accepting proposals from exhibitors for a limited number of New Product Demos at MCEE, presented alongside sessions organized by the Committee. Speakers and products will be selected on a first-come, first-served basis by the MCEE Organizing Committee.

Sessions may be up to 15 minutes long. The submission deadline is April 2, 2025.

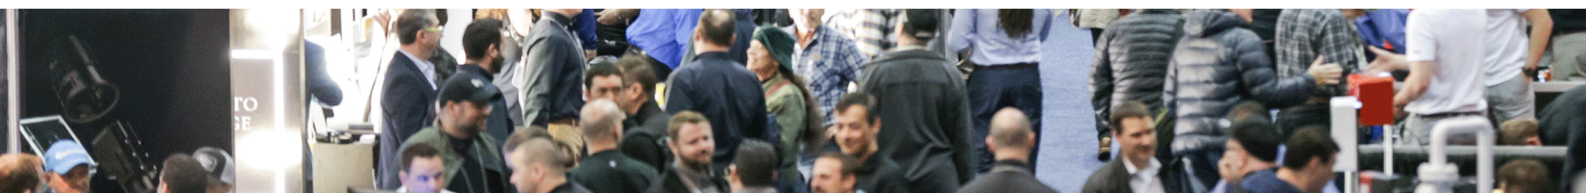

Submission Criteria:

- **Proposed Title**
- **Demo Outline*** (maximum 200 words)
- **Intended Audience** (e.g., contractors, plumbing engineers, HVAC engineers, home builders, wholesalers, etc.)
- **Presentation Format:** Indicate whether a PowerPoint presentation or other audiovisual tools will be used.
- **Video Inclusion:** If your presentation includes video, it must be embedded in the presentation—please do not rely on Wi-Fi.
- **Product Details:** Provide product information, a photo of the product(s), and the manufacturer's logo.

* The product must meet the New Product guidelines as outlined in the New Product Competition.

Presenter Fees: No fees will be paid to presenters.

The Organizing Committee aims to maintain a balanced selection of products—including plumbing, HVACR, electrical, and hydronics—to appeal to the widest possible audience..

MCEE will provide a small presentation stage in the exhibition hall, equipped with appropriate audiovisual equipment and theatre-style seating for 40 people. Videos must be embedded in presentations, as high-speed internet is not available. If you are using video, please bring your presentation on a USB drive.

Attendance is free of charge. Exhibitors are expected to promote their sessions to their customers. MCEE will also promote the sessions.

The stage schedule will be determined by the Organizing Committee based on submitted proposals. The Committee's decision will be final.

 **Submit your proposal by April 2, 2025, to:**
